Saint Rose of Lima,

We celebrate her feast on August 23rd. It was one of the more moving experiences of my life to be able to go to Lima and visit the church of Santo Domingo (St Dominic). My mother had spent time in the convent as a Dominican and then was a lay Dominican for the rest of her life after leaving the convent. Lay Dominicans are men and women, singles and couples living a Christian life with a Dominican spirituality in the secular world. They find inspiration following the same spiritual path taken by many saints, blessed, and other holy men and women throughout the 800-year history of the Dominican Order. The Life of a Dominican layperson is all about having a passion for the Word of God. It is about committing oneself to a community of like minded brothers and sisters that immerse themselves in the Word of God.

So as a child I grew up on the stories of Dominicans but especially the stories of St Rose of Lima, St Martin De Porres and St John Macias of how they cared for the poor, the indigenous, the slaves and those in need in Lima. Rose was born of a Spanish noble family and would have had great expectations to marry to further the family name. But she chose instead to associate with those from different backgrounds and social levels of importance. She dies at 31 and is quickly venerated as a saint. She is the first saint born in the Americas to be canonized in 1671. All three of them are remembered in the church of Santo Domingo in Lima. It was interesting that the feast of St Rose came when I was in Peru and it is a national holiday there where the country takes a day off and remembers her charity.

The Saints call us to look outside of ourselves and our local needs to a broader spectrum of the world and our society. We look at those in our world still caught in poverty and poor living conditions and we discern how to use what we have for the good of others. We continue to pray for our children and the start of our school year. Through the examples of the Saints and the grace of God may we grow in faith and charity.

Blessings,

frjoe

On the Feast of St Teresa of Calcutta on September 5th (labor day), we will celebrate the mass of St Teresa at 7:00 PM at St Anthony. As part of this mass those who would like the anointing of the sick can receive the sacrament. Also a first class relic (hair) of St Teresa of Calcutta will be available for veneration. After the mass Patrick Norton who spent time in an orphanage run by the Sisters of Charities will speak a bit about the orphanage and his receiving the first class relic. After Patrick speaks, the relic of St Teresa will be moved to its new home in the adoration chapel. All are welcome to this joyous and healing event.
