Beloved Children of God,

Bishop Donald Kettler has asked me to be the Canonical Administrator of the Church of St. Anthony, The Church of the Holy Spirit and Christ Church Newman Center. On Tuesday I met with all the staff of these three parishes. We put together a plan. I was inspired by their dedication to the ministry they are called to do.

I want to introduce myself to you. I am a farm boy from St. Nicholas, MN. I grew up with six sisters and three brothers. I could go on with how God has called me off the farm, cancer and into the priesthood but that would take a book, which many people encouraged me to write. Well, the book happened. If you are interested, it is called "Finding the water".

A few things that are life giving for me are working with the soil (I take care of a 40-acre organic garden) and being on two wheels with or without a motor.

I do not know about you, but I find November as the most difficult month. Yes, I want to be grateful for the good harvest and be with family for Thanksgiving. It inspires me to hear when people share what they are thankful for. But also, to me November is a time of grieving. I remember loved ones that are gone and the void they leave in my world and in my heart.

I also grieve when I experience the cold weather and frozen soil asleep for the winter months. Also, to put away my two wheels is a small grief.

I know as a farmer; plants die but there will always be new life. "Unless the grain of wheat falls to the ground and dies it produces no wheat. but if it dies it produces much fruit". (Jn 12:24) This is the Pascal Mystery Jesus ask us to enter.

There are many times in my life that I experience or walk with people who experience grief, pain and suffering, especially at the hospital. They often say to me, "Fr. Mark what would I do without my faith". I admire how when they can keep their eyes on Jesus, who shows us the Pascal Mystery, new life is assured. Maybe not exactly the way they want it, and yet at times beyond their expectations. Maybe some of you can relate to this with a retreat you may have encountered like TEC, Koinonia, or other retreats.

Jesus' invitation is for us to deny ourself, pick up our cross, walk in his footsteps and encounter the Paschal Mystery by dying to our ego, our pride, our control, and let the Pascal Mystery happen.

With the help of a great staff, Fr. John Paul, Fr. Doug Liebsch, Fr. Vince Lieser and other area priests, I am going to give it my all to make this time without Fr. Joe as seamless as possible. I ask you and strongly encourage you to make this time a Pascal Mystery event and truly keep our eyes on Jesus. Who knows what the results may be.

Shalom in Christ

Fr. Mark Stang
