Stepping out of our comfort zone

When I was young, I often wondered how difficult it was for the kings to step out of their royal palaces and travel in some not so comfortable situations.

I wondered were there more than three kings that were invited by God to step out of their comfort zone and experience adventure and change? Did these kings refuse the Angel's invitation and thus missed out on something better than they ever would have expected?

I know in my life everytime I had to step out of my comfort zone whether it be by invitation or adversity, God presented to me an adventure that challenged me to grow in wisdom and faith.

I am one that likes to keep things the same, change is always hard for me. However, when I humble myself and ask the Holy Spirit to take over, many times there is a call to step out of my control, my comfort. When I do so I strive to keep my eyes on Jesus, knowing there is always a bigger adventure.

As I work as a chaplain at the hospital, every day I witness people out of their comfort zone. I find that when they can keep their eyes of faith open, positive spiritual things happen in their lives. To me it is such a blessing to walk with people when they experience something bigger and greater than themselves in their suffering.

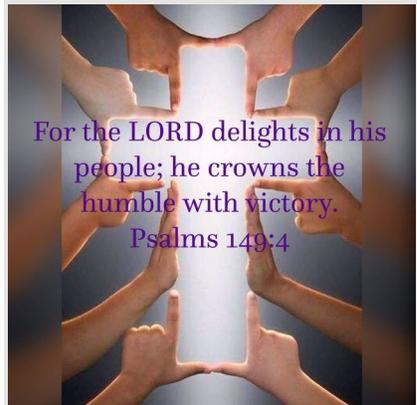

Yesterday, I was with a patient that had a list of health complications. He shared with me that his daughter encouraged him and his wife to move to an assisted living place. He shared with me he does not want to move out of his house that he has been living in for 20 years. He also said "I know more and more that I need extra help, I just need to have courage."

As we step in to 2023, we know there will be small and large events in our life that challenge us to step out of our comfort zone and experience change. I pray that you and I keep our eyes on the light, the Christ. May we not be afraid to experience something greater.

Lord, we thank you for Pope Benedict XVI. A man of courage that has blessed the Church so much with his wisdom and guidance. May his soul rest in peace.

Shalom in Christ,
